

STAHL'S
Hotronix

INTRODUCES THE
HEAT PRESS
CADDIE™

Take your heat press to the next level!
The Heat Press Caddie is a stand that
converts any Hotronix® or MAXX™
Clam into a threadable heat press.

Available exclusively from Hotronix!

• **Threadable**

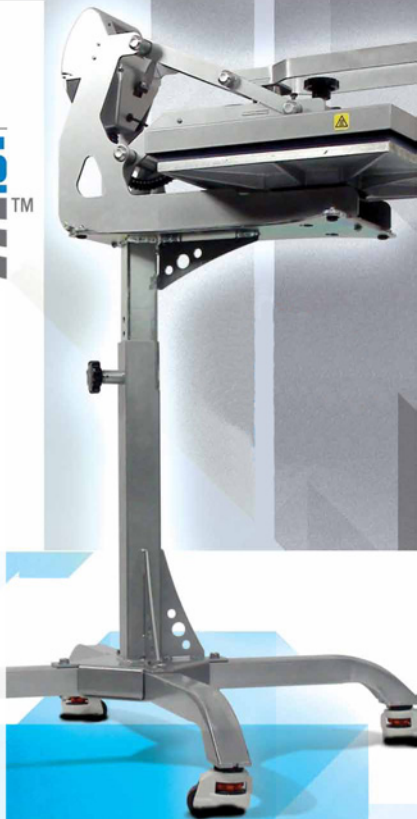

Front to back, back to front, or side to side.
Simply load your shirt once and rotate it
right on the platen.

• **Portable**

Take it anywhere! Heavy duty, self-leveling
casters allow you to wheel your press
around your shop.

• **Adjustable**

Raise or lower the height of the press to
enhance individual operator comfort for a
completely ergonomic experience.

Stahls' Universal Heat Press Caddie with
one or more patent and/or patents pending.
